Pastor Vincent Goard and the ministry staff of Faith Deliverance Temple, Inc. do not endorse or encourage all the content of the movies we review in these bible studies or suggest movies as a replacement for personal devotion and regular bible study. However, Faith Deliverance Temple, Inc. does endorse and encourage daily prayer, devotion and Bible study on a personal and individual basis (2Tim2:15). Only a firm foundation in the Word of God will help you to rightly discern the parallels of common truth in the things you see in every day life and evil deceptions of our enemy (2Cor2:11, Matt24:24, Prov3:5-6, Prov11:20) © 2011

In a universe as vast as it is mysterious, a small but powerful force has existed for centuries. Protectors of peace and justice, they are called the Green Lantern Corps. A brotherhood of warriors sworn to keep intergalactic order, each Green Lantern wears a ring that grants him superpowers. Matthew 5:9 speaks to the power and inheritance of a certain group of people. How are the Green Lantern Corps like this group that Jesus describes in the scripture? _____

But when a new enemy called Parallax threatens to destroy the balance of power in the Universe, their fate and the fate of Earth lie in the hands of their newest recruit, the first human ever selected: Hal Jordan. How does Hal see himself and how has his life been set on course from his relationship with his Father? How has your life changed since you have been commissioned by the Father? _____

Abin Sur was the one who found Hal Jordan, Give me examples from the scripture or from your personal life of an "Abin Sur" _____

Hal is a gifted and cocky test pilot, but the Green Lanterns have little respect for humans, who have never harnessed the infinite powers of the ring before. But Hal is clearly the missing piece to the puzzle, and along with his determination and willpower, he has one thing no member of the Corps has ever had: humanity. Romans tells us not be overcome of evil but overcome evil with good. how does Hal fail in his first fight ?

With the encouragement of fellow pilot and childhood sweetheart Carol Ferris (Blake Lively), if Hal can quickly master his new powers and find the courage to overcome his fears, he may prove to be not only the key to defeating Parallax...he will become the greatest Green Lantern of all.

How does Parallax get his power and how does it grow. The bible says our enemy goes about as a roaring lion seeking whom he may devour how will we overcome him? Give scripture reference.
